Join Pelican Buying and become a member of a first-class buying group that delivers significant cost-saving benefits to independent hospitality businesses.

Pelican has carved a niche in the hospitality market by delivering a highly effective buying service, exceptional customer care and professional product advice to over 4,000 member hotels, restaurants, bars and clubs.

Great Prices

Our dedicated team of buyers negotiate competitive pricing for a wide range of products and services with leading industry suppliers enabling members to enjoy a cost-saving purchasing service. Members currently use Pelican nominated suppliers for a variety of products and services including: catering and food supplies; hygiene and disposables; catering equipment; maintenance products; and, banking and card processing.

Advice and Assistance

Pelican's customer service team work with members to ensure they maximise their membership by providing advice, intervening in supply issues and facilitating speedy account openings.

'I can always contact them for advice and I am a great believer in central billing'

John Freestone, The Windmill at Badby,
Northamptonshire

Effective Supplier Relationships

Members have direct access to a local purchasing adviser who is able to help them identify and develop excellent trading relationships with the most suitable suppliers.

Simple and Efficient Payment System

Our central billing service means that members receive just one monthly statement for all the products they purchase via this system.

A Rewarding Loyalty Scheme

Loyalty points are awarded to central billing members which may be redeemed against their membership fee or paid back directly to them once a year.

Our members are commercially aware business people who want to ensure that they get the very best prices available. Members are currently responsible for transacting high levels of business via Pelican's specially negotiated terms:

- In excess of £310 million of Visa and MasterCard sales per annum
- Over £100 million annually on food, drink and equipment
- In excess of £50 million annually via central billing
